

For foreign patients.

We are registered with "Sapporo City 2021 Medical Consultation Support Project for Foreign Nationals" as a medical institution (dental clinic).

We can accept foreign patients, but we do not have a professional interpreter, so it may be difficult for us to ask you about your medical condition due to language differences.

If you wish to visit our clinic, please make an appointment by phone or email as follows. Professional interpreters are available to assist you.

Sapporo Hospital Reservation Hotline URL:https://beborn.jp/sapporo_hospitalreserve/
